(स्थानांतरण मूल्य का आकलन 8000/- रुपये प्रति मीटरी टन स्किम्ड दुग्ध पाउडर, 12,000/- रु. प्रतिमीटरी टन बटर आयल, 9,840/- रुपये प्रति मीटरी टन मक्खन और 8,000/- रुपये प्रति मीटरी टन खाद्य तेल के हिसाब से किया गया है ।)

(ख) यूरोपीय आर्थिक समुदाय ने अनौपचारिक तौर पर बताया है कि उनको उपहार-स्वरूप वस्तुएं देकर आपरेशन फ्लड चरण-3 के लिये सहायता देने में रुचि है । तथापि अभी तक कोई पक्का वायदा प्राप्त नहीं हुआ है ।

(ग) इन वस्तुओं के आयात के बारे में सरकार की भावी नीति उनसे संबंधित स्थितियों पर निर्भर करेगी ।

(घ) 1984-85 के दौरान दूध की प्रति व्यक्ति उपलब्धता अनुमानतः 148 ग्राम थी ।

दूध, खाद्य तेलों और दालों के उत्पादन में वृद्धि

84. **श्री जगदम्बी प्रसाद यादव** : क्या कृषि मंत्री यह बताने की कृपा करेंगे कि गत तीन वर्षों के दौरान दूध, खाद्य तेलों तथा दालों के उत्पादन में कितनी वृद्धि हुई है ?

कृषि और सहकारिता विभाग में राज्य मंत्री (श्री योगेन्द्र मकवाना) : 1984-85 को समाप्त होने वाले गत तीन वर्षों के दौरान दूध, खाद्य तेल और दलहन का उत्पादन नीचे दिया गया है :

(10 लाख मीटरी टन में)

जिन्स	1982-83	1983-84	1984-85
दूध	35.8	37.1*	40.2*
तेल**	3.02	3.52	3.70
दलहन	11.86	12.89	12.19

अन्तिम अनुमान

खाद्य तेल के अनुमान कृष्य और गैर-कृष्य तिलहनों के उत्पादन के आंकड़ों पर आधारित होते हैं और इसमें विलायक द्वारा निस्सारित तेलों का उत्पादन शामिल है ।

691 RS—13.

Fertilizer Production

85. SHRI D. B. CHANDRA GOWDA: Will the Minister of AGRICULTURE be pleased to state:

(a) whether Government's attention has been drawn to a news item which appeared in the *Economic Times* on 20th June, 1986 under the caption "Fertiliser production below installed capacity";

(b) if so, the quantum of fertilisers produced by each of the fertiliser units in the public sector during the last three years;

(c) whether it is a fact that the farmers are not getting the fertilisers at a reasonable price due to shortage; and

(d) if so, what steps are being taken by Government to boost the production of fertilisers in the country and also to make these available at a reasonable price?

THE MINISTER OF STATE IN THE DEPARTMENT OF FERTILIZERS (SHRI K. NATWAR SINGH): (a) Yes, Sir.

(b) A statement containing the requisite details is attached (*See* below).

(c) No, Sir. Fertilizer availability in almost all parts of the country is more than satisfactory.

(d) A major programme has been undertaken to increase the production of fertilizers in the country during the Seventh Plan period. As a part of this programme, 15 fertilizer projects, including expansion schemes, have been taken on hand, to add substantially to the fertilizer capacity already under operation. Efforts are also being made to optimise production in the existing fertilizer plants by modernising them and also by providing captive power units.

It is the policy of the Government to make fertilizers available to the farmers at stable and reasonable prices. To ensure this, Government exercises statutory control over selling prices, which are kept at a reasonable level through Government subsidy. The dealers cannot charge, under the law, a price higher than the statutory selling price fixed by the Government. The State Governments are empowered to take legal action against the defaulting dealers, if any, under the Essential Commodities Act.

Statement

Production of fertilizers in public sector units during 1983-84, 1984-85 *and* 1985-86.

(Figures in thousand tonnes)

Name of the unit	Production during the years		
	1983-84	1984-85	1985-86
A. Nitrogenous Fertilizers (Nitrogen)			
Sindri Modernisation	121·4	125·2	74·1

Fraud in D. D. A.

86. SHRI D. B. CHANDRA GOWDA: Will the Minister of URBAN DEVELOPMENT be pleased to state:

(a) whether Government's attention has been drawn to a news item that appeared in the *Indian Express* of 4th June, 1986. according to which several M.Ps. have drawn the attention of the Prime Minister to the fraud in the D.D.A. committed by some top officials; and

(b) if so, what action has been taken by Government in this regard so far?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT (SHRI DALBIR SINGH): (a) Yes, Sir.

(b) Due note has been taken. Some of the complaints are under inquiry with CBI.

Gas leakage in Captive Power Station at Rourkela Steel Plant

87. SHRI J. P. GOYAL:

SHRI SATYA PRAKASH MALAVIYA:

Will the Minister of STEEL AND MINES be pleased to state:

(a) whether it is a fact that a worker was killed and several others were injured following a gas leakage from an old captive power station at the Rourkela Steel Plant in the third week of June, 1986; and

(b) if so, what are the details thereof, stating the results of the inquiry, if any made by Government into the mishap and the action taken in the matter?

THE MINISTER OF STEEL AND MINES (SHRI K. C. PANT): (a) and (b) Yes, Sir. On June 17, 1986, one employee of Steel Authority of India Limited died and 8 other persons (two employees of SAIL and six contract workers) were affected as a result of an incident in the old captive power plant of Rourkela Steel Plant in what may have been a case of gas leakage.

The Inspector of Factories has conducted statutory investigations under the Indian Factories Act, 1948, and his findings about the incident are awaited.

The Fatal Accident Investigation and Enquiry Committee of the Plant has also enquired into the incident and their report is also awaited.
